### *Dog Day Afternoon!*

41 dogs brought 53 humans to Dog Day Afternoon 2002, our annual meeting and club function. This year's theme was Hawaiian and the tropical look began appearing as colorful tropical bandanas made by Carol Carney were provided to attending dogs. The day was filled with fun games and AKC's sanctioned program, Canine Good Citizen (CGC). We had gentle breezes and mild temperatures so the games had a great turnout.

The first event was CGC. The following four dogs earned their CGC title.

**Rosie**, handled by Ilene Hirsch  
**Hunter**, handled by Carol Carney  
**Twoey**, handled by Cleo Home  
**Zoë**, handled by David Perez

Be sure and look on the club web site to see these names added to the CGC honor roll. Congratulations! Watch for this event again and participate in this fun, educational program of AKC. Thank you to Mt. Diablo Dog Training Club's Barbara Eaton, our judge, and Sandy Yanoff who assisted in making all participants feel comfortable. Also helping out were our newest members, Michele Dalh and Patricia Zahn. Our official photographer was Jeanna Brushwood.

Dog Day just wouldn't be the same without Doggie Bowling. This event continues to frustrate humans and provide additional cookies to the dogs as the humans try to figure out new ways to encourage dogs to hit the pins. If you haven't seen this event, or participated, it's an incredibly fun activity. This year's big winner

was Marit Marino and Chance with a strike! Second was Linda Marshall and Hobie, knocking down 4 pins and a number of dogs after that knocked down at least one pin.

Speed Recall is another event that is fast and fun. We had four heats with the winners of those heats then competing for the top three places. The final race was a real photo finish. The final race was a photo finish with the team of Marit/Jeanna/Chance edging out by a whisker the team of Carol/Don/Hunter for first place. Third place was the team of Ilene/Teresa/Ketu. It was a great race!

Many attendees came from distances to join us and the dogs who came the farthest were Rocky, Lily and Karl and their owner Carol Hafner of Fresno. We also had a number of "senior" dogs and Gretal, at 14 ½ years old, won the honor of being the oldest dog attending.

We always take a moment at this event to recognize the Rescue dogs and their families. This year we had a number of them in attendance to appreciate.

We also announced the accomplishments of club members who participate in AKC conformation and obedience competitions to earn championships and titles. The following dogs have been added to the club's perpetual trophy and "Gallery of Stars" on the web site.

Galen's Millie of the Valley, CD (4/6/02)  
Ch. Goldhome-Carlana Kiss N Tell (5/12/02)  
Ch. Fairwind's Obsidian Order (6/14/02)  
Ch. Fairwind's Pale Rider (6/25/02)

Dog Day Afternoon continues to be the club's biggest most well attended event. The typical comment this year was that this one was the best one yet. Please begin planning on attending 2003's event on July 27 next year so you can be part of the fun too!

Editors Note: Beverly Verna normally doesn't post the wins of her dogs. She has asked me to leave hers out of the newsletter for reasons of her own. But due to the great run Twister has had, I thought it would be nice for the Club to see what a quality dog can do. He has faced strong competition across the western U.S. and has come out on top more often than not. Congratulations Bev and Twister.
